***INTERNATIONAL ISOTOPES INC ANNOUNCES CONFERENCE CALL
TO GIVE AN UPDATE ON THE COMPANY'S GENERAL BUSINESS STATUS***

Shareholder Conference Call Scheduled For Wednesday, September 14 at 3:00PM Central

Idaho Falls, ID. September 12, 2011 - International Isotopes Inc (OTC Bulletin Board: INIS) announces a conference call to give an update of the Company's general business status, particularly, the year to date performance of its core business segments as well as to discuss progress of its ongoing plans for the depleted uranium de-conversion project.

What: International Isotopes Inc General Business Update.

When: Wednesday, September 14 - 3:00PM Central Time

How: Live via phone by dialing 800-624-7038. Code: International Isotopes. Steve Laflin, President and CEO of International Isotopes, Inc will be leading the call. Participants to the conference call should call in at least 5 minutes prior to the start time. For those who cannot attend the call, an audio replay will be archived on the Company's web site www.internationalisotopes.com on Thursday, September 15, 2011.

About International Isotopes Inc

International Isotopes Inc manufactures a full range of nuclear medicine calibration and reference standards, high purity fluoride gases, and a variety of cobalt-60 products such as teletherapy sources. The Company also provides a wide selection of radioisotopes and radiochemicals for medical devices, calibration, clinical research, life sciences, and industrial applications and provides a host of analytical, measurement, recycling, and processing services on a contract basis to clients.
